

FEATURES

MARC Carpet Spotting Towels are the easy way to quickly remove spots, spills and stains from carpet and upholstery in one simple step. **MARC Carpet Spotting Towels** are full-size heavy-duty towels with a powerful formula of cleaning agents and waste-digesting bacterial enzymes to remove tough spots and deodorize without leaving soil-attracting residue behind. Use on fresh spills and stains such as:

- Grease/Oil
- Coffee
- Soft Drinks
- Blood*
- Kool-Aid®
- Juice
- Ink
- Candy
- Pet Stains
- Cosmetics
- Vomit*
- Wine

* Use gloves

Kool-Aid® is a registered trademark of Kraft Foods, Inc.

DIRECTIONS FOR USE

Prior to using, always test on an inconspicuous area of carpet or upholstery to determine colorfastness and damage to fiber backing as carpeting quality varies widely, and check when area dries.

FOR FRESH SPILLS: Remove any excess residue remaining. Pull towel from container. Apply opened towel to fresh spills to blot and absorb any excess liquid. Apply towel to any remaining spill in a rubbing motion until removed. Wash hands thoroughly with soap and water.

FOR SPOTS AND STAINS: Pull towel from container. Apply towel to spot/stain in a rubbing motion working from the outside toward the center. Continue to apply as noted above until spot or stain is gone. Wash hands thoroughly with soap and water.

FOR ODOR ELIMINATION: After removal of stain, place a fresh towel over area and moisten with water. Leave for 24 hours so the bacteria in the towel can remove the odor and eliminate unseen organic material.

CARPET SPOTTING TOWELS

Cleans Spots and Stains Quickly and Easily from Carpet and Upholstery

Ready To Use

Contains Special Enzyme-Producing Bacteria to Remove Stains and Neutralize Odors

KEEP OUT OF REACH OF CHILDREN

CONTAINS: 40-9.5" X 12" (24.13 CM X 30.48 CM)
PREMOISTENED WIPES

M-283

MANUFACTURED FOR:

MID AMERICAN RESEARCH CHEMICAL
BOX 927 • COLUMBUS, NE 68602
Phone: (402) 564-7104

DIRECTIONS FOR DISPENSING

1. Remove lid by lifting upward. Remove foil seal.
2. Pull towel from center of the roll and thread through "X" on the underside of the lid.
3. Close lid. Pull towel at 90° angle.
4. Snap hinged cap back into place to ensure towels stay moist.

DISPOSAL

Offer empty container for recycling. If recycling is not available, discard container in trash. Do not flush wipes.

⚠ WARNING: This product can expose you to Formaldehyde, which is known to the State of California to cause cancer. For more information go to www.P65Warnings.ca.gov.

CONTAINS/CAS NUMBER:

Water/7732-18-5; Sodium Bicarbonate/144-55-8; Butyl-3-hydroxybutyrate/53605-94-0; Tetrasodium Ethylenediamine Tetraacetate/64-02-8; Sodium Lauryl Sulfate/151-21-3
