

## TECHNICAL DATA SHEET

**Product Name:** TRU-BOND  
**Product Number:** MARC 286

**Type of Product:** liquid wood floor bonding coating

**Specific Gravity:** 1.02

**Weight per Gallon:** 8.5 pounds

**Solids Content:** 15%

**Color:** milky white

**Odor:** mild

**Viscosity:** low

**pH:** 8 to 9

**Flash Point:** none

**Coverage:** 1,000 to 2,000 square feet per gallon

**Number of Coats Required:** 1

**Drying Time-Typical:** 1 hour, depending upon humidity

**Time to Finish Application-Typical:** 1 to 2 hours after dry

**Freeze Stability:** protect from freezing

**Storage Stability:** excellent

**Leveling:** excellent
