

TECHNICAL DATA SHEET

Product Name: FULL COURT FINISH PC

Product Number: MARC 289

FEATURES

- One component formula means no pot life and no mess.
- Contains water-based urethane/acrylic reactive polymers that offer durability and appearance equal to or greater than oil-modified products.
- Unique polycarbonate crosslinking technology results in superior scratch resistance, scuff resistance, durability, depth of gloss and gloss retention.
- With proper maintenance, finish lasts at least a full year.
- Minimal down-time. Dry time between coats is one hour under normal conditions. Allow 6 to 24 hours before recoating.
- Uniquely restorable unlike traditional gym finishes.
- Suitable for oak, maple and parquet floors.
- Large area coverage – up to 900 square feet per gallon.
- Slip-resistant – meets ASTM D2047
- VOC Compliant.

PROPERTIES

Type of Finish: Water-Based Reactive Urethane/Acrylic Blend

Form: Liquid

Odor: Bland

Color: Opaque White

Weight per Gallon: 8.51 Pounds

pH: 8.0

Solids Content: 29%

Storage Stability: Up to 1 Year, Unopened

Freeze/Thaw: Passes 3 Cycles (Store Above Freezing)

V.O.C. Content: 274 g/l

R0222
