

## TECHNICAL DATA SHEET

**Product Name: AFTER SHOWER SHOWER CLEANER**  
**Product No.: MARC 302**

Description: Use it daily and you'll never scrub your shower again.

After Shower makes cleaning your shower so easy that you'll never need to scrub, wipe, rinse or squeegee surfaces ever again. Thoroughly spray down surfaces and fixtures with After Shower. One step is all it takes and the job is done. After Shower eliminates tough soils including soap scum, iron, hard water deposits and mildew stains. Heavy build-up is completely removed after a few weeks of using After Shower. Spraying showers daily actually keeps grime and soap residue from adhering and building up on shower surfaces. After Shower can be safely used on almost all materials including:

Tile \* fiberglass \* porcelain \* corian  
Terrazzo \* glass doors \* rubber \* plastic curtains  
Grout \* chrome \* water fountains \* sinks

After Shower features and benefits:

- One-step cleaner requires no scrubbing, wiping or rinsing
- Eliminates soap scum, iron deposits and mildew stains
- Daily use keeps soap residue and grime from building up
- Ready-to-use formula

Just spray and walk away.
