An Exclusive Formula of **M-305**

MID-AMERICAN RESEARCH CHEMICAL CORP.
P. O. BOX 927 · COLUMBUS, NE 68602-0927 · 800-228-8508

- EASY TO USE
- NO STREAKING
- ECONOMICAL

FEATURES

MARC Glass Cleaner contains isopropyl alcohol to insure fast drying plus other special surfactants which make windows and other glass surfaces sparkle and shine. Makes smoke, grease and grime disappear without a streak or smudge. Can be used on: Windows – Mirrors – Stove Tops – TV Screens – Refrigerators – Showcases – Plastic and Ceramic Tile – Chrome – Metal – Porcelain.

MARC Glass Cleaner seals the pores of hard surfaces such as glass, metal, Formica, stainless steel, chrome, ceramic tile or plastic tile. Surfaces remain free of fingerprints, dirt and dust for much longer periods of time.

DIRECTIONS

Use short strokes to spray a fine mist of **MARC Glass Cleaner**. Clean with paper towel or lint-free cloth. For best results use two towels, one for drying and one for polishing. **IMPORTANT:** Will spray properly until temperatures go below +20° F. **MADE IN USA.**
HMIS/NFPA Ratings: Health-0, Flammability-2, Reactivity-0,

DANGER: Contains isopropanol and glycol ether. Flammable liquid and vapor. Causes eye irritation. May cause skin irritation. May be harmful if swallowed. Keep away from heat, sparks, open flames and other ignition sources. No smoking. Use only non-sparking tools. Take precautionary measures against static discharge. Keep container tightly closed. Wear protective gloves and eye protection. Avoid breathing vapors and mists. Wash skin thoroughly after handling. Use only in a well ventilated area. **IF IN EYES:** Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do so. Continue rinsing. If irritation persists, seek medical attention. **IF ON SKIN:** Take off immediately all contaminated clothing. Rinse skin with water. If skin irritation or rash occurs, seek medical advice. Wash contaminated clothing before reuse. If inhaled: Remove victim to fresh air and keep at rest in a position comfortable for breathing. **IF SWALLOWED:** Call a POISON CENTER or seek medical advice if you feel unwell. In case of fire: Use dry sand, dry chemical or alcohol-resistant foam for extinction. Store locked up in a cool, dry, well-ventilated area. Dispose of contents in accordance with all applicable local, regional and national regulations.
