Features

MARC Phenomenal Air Dual Odor Counteractant eliminates all types of malodors, including those caused by urine, feces, decay, rancidity, fire, smoke, tobacco, cooking and mildew. It contains a specially formulated blend of naturally-occurring pro-biotic micro-organisms which eliminates odors and maintains the odor-eliminating effects on surfaces long after cleaning. The spray penetrates and protects spaces you cannot see or touch. **MARC Phenomenal Air Dual Odor Counteractant** is ideal for use in schools, hospitals, nursing homes, hotel and motel rooms, offices, basements, locker rooms, trash compactors, etc.

Directions for Use

Spray **MARC Phenomenal Air Dual Odor Counteractant** on surface containing malodor. To neutralize odors in the air, aim spray towards ceiling in the direction of the problem and corners of the room or other area to be treated. The spray will quickly travel throughout the area. The effectiveness of **MARC Phenomenal Air Dual Odor Counteractant** begins upon contact of malodors and the product maintains its odor-eliminating effects.

WARNING: Contains nonylphenol ethoxylate emulsifier and bacterial cultures. Causes skin and serious eye irritation. Wear eye and skin protection. Wash skin thoroughly after handling. IF ON SKIN: Wash with plenty of soap and water. If skin irritation occurs, get medical attention. IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses if present and easy to do. Continue rinsing. If eye irritation persists, get medical attention. Take off contaminated clothing and wash before reuse.

KEEP OUT OF REACH OF CHILDREN!
