

TECHNICAL DATA SHEET

Product Name: Microfiber Cleaning Pad

Product Number: MARC 801

Description: The **MARC 801 Microfiber Cleaning Pad** is a floor maintenance cleaning pad made of 100% microfiber. It has double sided microfiber surfaces.

Material Specifications:

- B101 Microfiber Color White
- 775 Foam Polyester 2.0# Density
- Flame Laminated
- 2/2 Heat Set Color Green
- Thread Tex-90
- 1¼ Green Cotton/Polyester Yarn
- Diameter of Center Hole = 3.25 inches

Use: The **MARC 801 Microfiber Cleaning Pad** is excellent for use in daily cleaning using a single disc or auto scrubber. Dust and soil are held within the pad and not released to become airborne. Efficient mechanical cleaning with microfiber pads also reduces time and labor. Extra fine fiber works exceptionally well on uneven surfaces.

Standards:

It meets EPA, American Hospital Association and JCAHO Environmental Standards 1.3, 2.3 and 4.0.

Construction: The **MARC 801 Microfiber Cleaning Pad** is made of 100% Polyester Microfiber. The microfiber cleaning pad is made to be reversible.

Pad Care: To prolong the life of this pad it may be hand washed or laundered in a washing machine.
