

TECHNICAL DATA SHEET

Product Name: ENDURO CLOTHS

Product Number: MARC 846

Features:

- Reusable
- Highly absorbent - holds 20 times its own weight in water
- Closed pores will not harbor bacteria
- Soft, durable, resistant to tearing
- 100% biodegradable
- Made of natural cellulose and cotton materials
- Can replace up to 15 rolls of paper towels
- Machine washable (wash at 200°F; lay flat to dry)
- Dishwasher safe
- Lint-free
- Eliminates water droplet trails compared to other towels

Use On:

- Glass • Porcelain • Ovens • Kitchen Equipment • Tables •
- Countertops • Windows • Doors • Stairways • Elevators •
- Furniture • Toilets • Sinks • Tile • Laundry Equipment •

How to Use:

Simply wet **MARC Enduro Cloth** before each use, and squeeze out excess water. The cloth can be used with just water or with most common detergents; use with acids and bleach is not recommended. Lay flat to dry. To sanitize the cloth, wet and microwave for one to two minutes. Use caution, as cloth will be very hot. Rinse under cool water.
