Description: Unique design provides an upscale look to catch errant urine splatters and neutralize them in the men's room for 60 days. **MARC 850 Sure Catch Urinal Mats** absorbs and neutralizes twice as much urine as other mats, preventing urine contamination to other areas. It has a non-slip tacky bottom layer that seals the urine in, prevents movement and protects floors. **MARC 850** absorbs and neutralizes uric acid, protecting your floors and keeping your restroom smelling great for 60 days. An impenetrable, non-slip bottom layer keeps urine off the floor while a super-absorbent top layer consumes and neutralizes urine. Every mat is impregnated with a mold inhibitor and odor counteractant specifically designed for urine. The mat has an upscale design and it stays in place. The mats come with a maintenance indicator, and last twice as long as competing mats, saving time and money.

Unique Features:

- Eliminates cross-contamination of urine from the restroom to other areas of a facility or restaurant.
- Prevents damage and costly floor repairs caused by discoloration and uric acid etching.
- Reduces cost in use by 50%. Lasts 2X longer than other mats, saving money.
- Super absorbent locks in 2 to 4 times more urine than other mats.
- Looks better longer, preventing costly "ugly out" mat replacement.
- Neutralizes urine with diaper industry technology. Every mat has a mold inhibitor and odor counteractant specifically designed for urine.
- Out indicator system reminds custodial staff when to change it for timely maintenance without waste.
- New upscale design is suitable for any decor. A great fit for office buildings, restaurants and other high-end restrooms.
- Protects from slip and falls with non-slip bottom that keeps floors drier by keeping mats under urinals.
- Ideal for high traffic areas such as casinos, convention centers, airports, gyms, restaurants theaters, hospitals, offices, schools, nursing homes, day care centers and more!
- Easily folds to fit into trash cans for disposal.
- An optional hook and loop anchor is provided for each urinal mat.
