

TECHNICAL DATA SHEET

**Product Name: SOLVENT-RESISTANT FLOCK-LINED
NITRILE GLOVES - GREEN**

Product No: MARC G-108

FEATURES

MARC G-108 Solvent-Resistant Flock-Lined Nitrile Gloves resist a broad range of chemicals. They are latex-free with a non-slip grip, suitable for a wide variety of general purpose uses. The generous 13" length and 15 mil thickness result in a superior glove.
